

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

APPLICATION OF LITEL TELECOMMUNICATIONS )	
CORPORATION FOR WAIVER OF COMMISSION )	CASE NO. 92-081
RULE )	

O R D E R

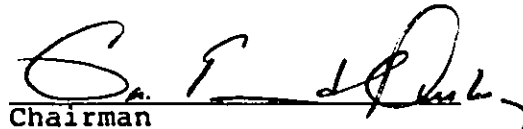

On March 3, 1992, LiTel Telecommunications Corporation d/b/a LCI International ("LiTel") filed with the Commission an application requesting a deviation from the requirements of 807 KAR 5:011, Section 11(5), which requires that after the filing of an adoption notice by a public utility which had tariffs on file with the Commission, the utility shall file a complete reissue of its existing tariff in its own name. In support of its request, LiTel states that the task of reissuing and processing its tariff, in excess of 200 pages, would be voluminous for both LiTel and the Commission. Also, no other changes are being made to the tariff and the name change is reflected on the title page effective February 15, 1992.

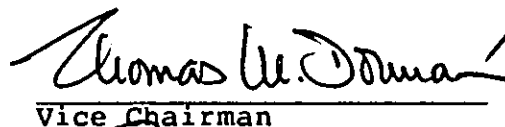

Having reviewed the filing and being otherwise sufficiently advised, the Commission finds that the deviation should be granted. Granting LiTel's request will not adversely impact any customer and is in the public interest.

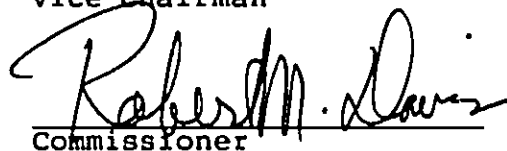

IT IS THEREFORE ORDERED that LiTel's request for a deviation from the requirements of 807 KAR 5:011, Section 11(5), is hereby granted.

Done at Frankfort, Kentucky, this 21st day of May, 1992.
